

Astronomy 45
Introduction to Astrophysics
Spring 2001

Instructor: Alex Dalgarno
Center for Astrophysics B324
495-4403
FAX 495-5970
e-mail adalgarno@cfa.harvard.edu

Teaching Fellow: Hossein Sadeghpour
Center for Astrophysics B319
495-7022
FAX 496-7668
e-mail hsadeghpour@cfa.harvard.edu

Lectures: Science Center 103B MWF 10:00-11:00 AM

Sections: Science Center 101B TW 2:00-3:00 PM

Problem Sets: Every week

Reading Period: No lectures. A short paper on an astronomical topic of your choice.

Midterm Exam: One hour in-class exam.

Final Exam: Three hour exam.

Lecture Notes: Lecture notes will be available on the Web at http://cfa-www/~hrs/ay45_2001.html

Textbook: The recommended text, containing more than the course can cover, is: Ostlie and Carroll, *An Introduction to Modern Stellar Astrophysics* (Addison-Wesley) 1996.

Grading:

| | |
|--------------|-----|
| Problem Sets | 20% |
| Midterm | 10% |
| Term Paper | 20% |
| Final Exam | 50% |
